Incident/Crime Alcohol Violation	Incident # 09-094776	Reporting Deputy Sgt B. Licking	Serial # S1122	Location of Occurrence Desert Tortise Shoreline (Lake Pleasant Park)
Narrative				
<p>On 05/23/09 at approximately 1330 hours I was dispatched to the Desert Tortise Shoreline area of Lake Pleasant Park, for a call for service regarding campers who were arguing about their camp spaces.</p> <p>Upon arrival I contacted the complainant who said that although they did not have a problem any longer with their camp space, they had seen a woman allowing underage teens to drink alcohol. I responded to the group and saw several young girls and two woman standing around an orange tent with at least one "Bud-Light" beer can on the ground.</p> <p>I asked how many of the girls under twenty one had consumed alcohol. One of the girls, later identified as (SP2) Maria Irene Soriano (██████████), told me that she had drunk some beer. As she spoke, I smelled the odor of an intoxicating beverage on her breath. I then tested (SP2) Soriano's Breath Alcohol Content (B.A.C.) Using a portable Intoxilyzer 300 (Serial #050958D) and found that her B.A.C. Was 0.038%. A breath test of the other minors in the group showed no indication of alcohol in their systems.</p> <p>I then asked the group who brought the beer. A white female, later identified by an Idaho Driver's License as Robin Lee Sword (ID ██████████) said that the beer belonged to her. When asked why she had allowed minors to drink her beer she said "I didn't let them, they just took it." I asked her if she tried to stop the underage minors from drinking her beer and she said "In a group like this you can't stop them. I just went down to the water." I then asked her if she did anything to stop the underage minors from drinking her alcohol and she said "No".</p> <p>Due to the fact that (SP1) Sword, knowingly allowed an underage minor to consume her alcohol, she was cited for ARS 4.244.9 (Furnishing Alcohol to a Minor), and released at the scene (Citation #A782729).</p> <p>Due to the fact that (SP2) Soriano had admitted to consuming alcohol, had registered 0.038% B.A.C., And the fact that I smelled an intoxicating beverage on her breath, she was cited for ARS 4-244.9 (Underage with any amount of alcohol in system) and released at the scene (Citation #782728).</p> <p>Both suspects were photographed and a right thumb print was obtained at the scene prior to release.</p>
