Dear Ms. Stewart:

This letter is in response to the letter you sent to the District Attorney's Office March 15, 2009 concerning Jonathan Lubell.

We have carefully reviewed the information that you provided and have decided not to initiate a criminal prosecution at this time. We suggest you continue your efforts to resolve these matters in civil court and other forums.

Please take note that this office prosecuted Jonathan Lubell on two unrelated indictments leading to him receiving a sentence of one to three years in August, 2005, after most of the events described in your letter.

Thank you for informing us of this matter. We will keep your complaint on file and hope that it can be resolved to your satisfaction through other channels.

Very truly yours,

Thomas Wornom  
Assistant District Attorney  
Bureau Chief, Special Prosecutions Bureau
